

Strategic Buyer Seeks Outsourcing Services Company

Woodbridge Group, Inc. has been retained by **eClerx Services Ltd.**, a dynamic knowledge process outsourcing company (KPO), to conduct a comprehensive acquisition search. eClerx's clients include some of the world's largest financial institutions, travel and leisure portals, IT hardware manufacturers and retailers – over twenty of whom are Fortune 500 companies.

eClerx is a publicly listed company employing over 1,800 professionals in the U.S., U.K. and India and is growing rapidly. Headquartered in India, with significant operations in Austin, Texas, New York and London, eClerx (www.eclerx.com) is looking to acquire other providers of data analytics or customized process solutions.

eClerx is interested in purchasing companies with the following attributes:

- KPO, BPO and Consulting Firms – Companies with deep relationships with global, brand clients
- € 7-40 million in annual revenue
- Capable management willing to continue
- Engaged in domain knowledge-intensive business process support.

Of particular interest are companies involved in eClerx's current service offerings (see website), in addition to areas such as loan servicing, funds administration, hedge fund support, legal support services, sales and marketing support, supply chain and logistics support and risk management services.

Woodbridge Group welcomes inquiries from qualified targets interested in selling to this proven operating group that has successfully built a high-growth service organization.

eClerx brings the following benefits to a deal:

- ✓ Financial resources to close a transaction
- ✓ Woodbridge fee is 100% paid by eClerx
- ✓ Sophisticated management team and organization structure
- ✓ Strategic expertise in data and business process management and outsourcing
- ✓ Robust operations infrastructure in place to drive growth
- ✓ Confidentiality preserved.
